Track Lights 

 Class II 220V	 IP Rating 20	 Material Aluminium	 Install Person/s 1x				
---	---	---	--	---	---	---	---

 **CAUTION** – This product must be installed by a qualified installer  
Please read instruction manual carefully before installing luminaire

 **Surge Protection**  
For comprehensive protection of a luminaire against electrical surges, surge protection shall be installed on the mains supply where required to protect luminaires and drivers from transient voltage damage.

### Warranty

Please read these installation instructions carefully before installing this product. This product must be installed and maintained by a suitably qualified person/s in compliance with the latest applicable regulations and relevant legislation. UOZU does not warrant any claim based on defects or damage caused by misuse, improper installation, improper operation and/or modifications carried out by the purchaser or third parties. This product shall not be used as a 'working light' during construction. This will result in the warranty of the product to be void. For warranty duration, please refer to the data sheet.

### Product type

### Disposal

Ensure correct disposal of this product (waste electrical and electronic equipment).
